# Notice

Date: November 23, 2019

Dear 5th Semester Students,

It gives us immense pleasure to inform you that one the leading software companies WIPRO has geared up to hold placement drive to hire BCA students for academic session 2017-20.

The successful students not only get placed in WIPRO with lucrative salary but they will also have another golden opportunity of acquiring M.Tech degree from premier institute in India, sponsored by WIPRO. December 1, 2019 is the last date for registration.

Since registration is mandatory, the eligible candidates are required to open the given link to know the registration process in detail. You had better inform College after registration process is complete.

Here is the link:
