Notice

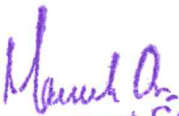

Dear Students,

You will be glad to know that **Induction Programme** aiming to greet and welcome the new students will begin on September 23, 2020. The other purpose of Induction Programme is to make the students familiar with rules and regulations of University and College.

All new students are advised to attend Induction Programme online, amid the Corona Virus outbreak, with full concentration and rapt attention while staying indoors.

Be informed that Remedial classes will start after Induction Programme with avowed purpose of brushing up students' basic knowledge, build up their academic base and enable them to understand the course curriculum without facing any difficulty. Schedule of remedial classes as well as other academic activities will be discussed during Induction Programme.

Soliciting your good cooperation, support, sincerity, punctuality and active participation with discipline.
