## Notice

Dear Students,

With the grace of God, very pleased to inform you that **Induction Programme**, designed to guide students in answering all their questions and give them an overview of complete realm of College life from academic to social activities, will be held on **October 19 2020**. Besides, greeting and welcoming the new students, Induction Programme also aims to introducing students to College life and acclimating them to their new surroundings along with making them familiar with rules and regulations made by University and College for improving the growth and learning of students. Acting on government guidelines, Induction Programme as well as other regular classes will be held both **online and offline** in wake of Covid-19 pandemic.

All new students are advised to attend Induction Programme either **online or offline i.e. physically present in the classroom**, as per their own convenience with full concentration and rapt attention.

Please be informed that Remedial classes will start soon after Induction Programme with avowed purpose of brushing up students' basic knowledge, building up their academic base and enabling them to understand the course curriculum without facing any difficulties. Schedule of remedial classes as well as other academic activities will be discussed during Induction Programme.

Seeking your good cooperation, support, sincerity, punctuality and active participation with maintaining basic discipline at Induction Programme. **keeping in government advisory on Corona Virus.**
