Date: December 19, 2020

Notice

Dear Students,

This is to inform you that result of MID Semester under Internal Assessment Marks is being prepared and will be uploaded to College website soon. It gives us immense pleasure to congratulate students on their passing examination with flying colours for academic session 2018-19 & 2019-20. Support and help students receive from their guardians during online examination were really praiseworthy.

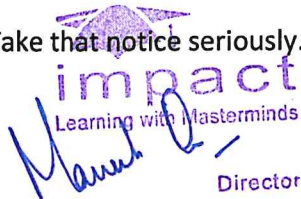

However, some students have been found doing unfair means during MID Semester examination, held online for better academic development in students amid Covid pandemic. It has also been found that some students have not cleared their semester fees and other kinds of dues, despite the several reminders through notices. According to last notice no IMPACT/NOTICE/1128/2020 dated 10.12.2020, December 14, 2020 was the last date to deposit fees without late fine. Such students are required to note down the following instructions given below related to MID semester result:

1. Those Students who were found doing unfair means in MID Semester examination have been awarded ZERO.
2. Students, since you have not cleared your Semester fees so far, your Mid Semester result will be pending.

College is very serious about such students. Guardians are being requested to give proper attention to your wards' behavior and ensure they do not repeat the same mistakes. If they fail to mend their ways, they may be debarred from Class Test-II which will be conducted soon.

Class Tests and MID semester examination conducted under Internal Assessment marks are of great importance in terms of enriching knowledge of students on their respective subjects and also in making better the University results.

Take that notice seriously.
