Notice

Dear Students,

According to Aryabhata Knowledge University guidelines, internship for 6th semester BBA, BCA, BCP and BMC stream is mandatory to gain practical knowledge and firsthand experience. Therefore, you are required to do internship at the organization of repute, related to your respective field. At the end of internship, you need to submit the project report under specific format to College based on your work experience at the organization.

Project report, describing your practical learning, experience and observation will help you enrich academic knowledge to the hilt and bring you lucrative and rewarding future. Underlying the need and importance of project report, you are advised to complete it with utter perfection and never ever make efforts to cut corners on project.

In this context, College has decided to hold the work shop at College campus with the avowed purpose of imparting knowledge to students in the aesthetic preparation and presentation of project work.

Schedule of workshop is being given under the table below stream-wise:

Date	Time	Stream
14-03-2021	2:00 PM to 3:00 PM	BBA
15-03-2021	2:00 PM to 3:00 PM	BCA
17-03-2021	2:00 PM to 3:00 PM	BMC
20-03-2021	2:00 PM to 3:00 PM	BCP

Be informed that attending workshop is of great importance to learn knowledge from the experts in preparation and presentation of project report in a better way under the specific format. If you miss the opportunity, you will not be given another chance of reaping benefit of work shop. Project work if submitted in a careless manner, will affect your marks.

In this regard, you may contact following officials during office hour to get detailed information.
