Notice

Dear Students (Session 2019-22),

According to University norms, it is mandatory for 5th semester students to do internship to acquire practical knowledge and work experience. Students have already been made aware of it through various mode of communication. In this context, 5th semester students from BBA, B.Com (P) and BMC for session 2019-22 are again instructed to undertake an internship at any relevant organization of repute.

It is mandatory for all deserving students to obtain internship letter from College and majority of students have received internship letter to meet the purpose. On the contrary, some students have failed to receive internship letter, although they were instructed several times.

Such students are strongly reminded to obtain authorized letter from College as soon as possible. It is mandatory for students to submit report to College after successful completion of internship.

You had better contact following officials if you have queries in this regard.
