Date: February 9, 2022

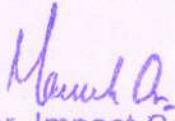

Notice

Dear Students,

As you know you were informed through notice IMPACT/NOTICE/148/2022 dated 29.01.2022 that **February 10, 2022** is the last date for the submission of internship project report.

College, responding to the rigorous request of students and their guardians, has extended the date for the submission of internship project report till **February 16, 2022**. Except that every instruction you were acquainted with through related notice in the past will remain same.

Stay in touch with your project guide regularly and request for his/her help after obtaining prior permission. Do your best and prepare laudatory internship report with proper documentation.
