Notice

Dear Students (Session: 2021-24),

With reference to notice no. IMPACT/NOTICE/228/2023 dated January 19, 2023, 2nd semester students from BBA, BCA, B.Com (P) and BA (JMC) students were informed to fill-in University examination form at College. Students were instructed through various modes of communication to deposit 4th installment of their College tuition fee as per schedule. However, some students have not deposited 4th installment of their College tuition fee scheduled on 10 November 2022, which already expired. Students were given optimal chances to deposit 4th installment of their College tuition fee.

Be informed that those students who have yet to pay 4th installment of College tuition fee, despite several reminders, will not be allowed to fill-in 2nd semester University examination form.

In spite of several reminders, DRCC students who have not deposited their 1st year College tuition fee so far, which was to be cleared on August 30, 2021, expired long time ago, will also be debarred from filling-in 2nd semester University examination form and their names are included in the given list. Such students will be responsible for their own careless approach and the list given below includes their names.
