**Dear Parents,**

**NEWSLETTER - AUGUST, 2017**

I would like to extend my thanks to everyone – you, students, teachers, and the staff for the successful completion of this month, packed with various activities.

The school has very successfully explored the hidden talent of the students in different fields and has made the platforms available for exhibiting them.

# KABADDI

Technique is the basis of every pursuit. If you're a sportsman you have to develop your own to know what you're doing at any given time.

OMK children participated in Kabaddi organized by the Patna District School Games Authority. The children were playing themselves with a sportsman's ways and that turned into the biggest art the city had ever seen as if a combo of artists and winners together.

# RAKSHABANDHAN

"Sometimes being a brother or sister is even better than being a superhero."

-Marc Brow

Raksha Bandhan is the celebration of the beautiful relationship between sisters and brothers. It is a day to cherish the everlasting bond and love between siblings. The relationship that usually begins with sibling's rivalry and lots of fighting soon turns into an unbreakable friendship with time. OMK children participated in Rakhi Making Competition and their creativity mixed with utter emotion gave a wonderful output.

# INDEPENDENCE DAY CELEBRATION

Saluting the nation and its freedom fighters on the eve of 71<sup>st</sup> Independence Day, our school coloured the day with utmost patriotic fervour.

The celebration that was dedicated to the backbone of our nation, the soldiers, began with the hoisting of the National Flag. A flurry of colourful cultural programmes followed after enchanting the national song portraying the enthusiasm and sacrifices of the great freedom fighters as well as the soldiers of the Indian Army.

It was a proud moment to watch the students dance like a dream and spread the essence of tricolour wrapped in emotions and pride for our motherland and its protectors, the soldiers.

## INTER HOUSE SPORTS MEET - 2017

Success in any field can be achieved easily if the intentions and determinations are strong, right from the childhood. To inculcate this, an Inter House Sports competition was organised in the Patliputra Sports Complex, K. Bagh, Patna on 19<sup>th</sup> and 26<sup>th</sup> August, 2017. It proved to be a great platform for discovering the hidden talents of the students. The children from Grade 1 to 8 participated in various activities like Sprinting, Sack Race, Spoon and Marble race, Football, Long Jump and Relay Race. Their enthusiastic and excellent performance served as passport to the Annual Sports 2017-18 to be held.

# NATIONAL GROUP SONG COMPETITION - 2017

Music is the movement of sound to reach the soul for the education of its virtue.

The true beauty of music is that it connects people. It carries a message, and the musicians, are the messengers. Our school participated in the National Group Song Competition - 2017 organized by Bharat Vikas Parishad and the success of our children echoed with the sonorous beats of soulful rhythms.

## COUNSELLING SESSION FOR MAINTAINING HEALTH AND HYGIENE

Good health and good sense are two of life's greatest blessings.

A person does not live by soap alone; and hygiene, or even health, is not much good unless you can take a healthy view of it or, better still, feel a healthy indifference to it. Being healthy is the biggest gift that one can give to oneself. To promote a wider sense of health and hygiene OMK organized a counselling session on the same which was a great success.

I would just like to thank everyone who works in school with honesty and dedication and wish a very happy, relaxed and enjoyable days ahead.
