

Ref. No: IMPACT/CIRCULAR/682/2024

Date: 24 May 2024

Circular

Dear all,

We are cognizant of the fact that right to a personal privacy as well as liberty comes under the ambit of fundamental right, therefore, all staff members and students at IMPACT and Impact College of Law are expected to respect the privacy of individual in order to create culture of ethics around the premises and uphold the dignity of both Colleges. Please note that under no circumstance should invasion of privacy take place on campuses.

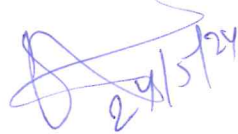

Display of ill-morality, indecency, uploading or publication of unacceptable video or still photographs anywhere or on any media platform, passing lewd remarks on any individual, making obscene gesture and spreading rumors if libel or slander, intending to malign the character, are forbidden, and legal action under the valid Sections of Indian Penal Code (IPC) will be taken against the law violators. Every activity inside and outside the premises of Impact Group of Colleges must be impressive and in good public taste.

Impact Group of Colleges is known for ensuring healthy working culture and safe and secure environment for women and girl students. Discrimination and molestation of female staff members on the campuses, if come to light, criminal cases will be registered with police station against the offenders.

Ensure compliance with the directives.
