

Notice

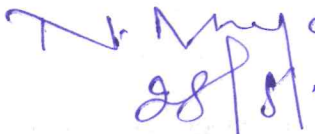

Dear Students,

It gives us abundance of pleasure to inform MCA and 6th Semester BCA students that Institute of Management and Planning & Advanced Computer Training (IMPACT), Patna is going to organize Seminar on "Job Opportunities in Salesforce Technology" on 31 May 2024 from 11:00 AM at city campus in collaboration with leading organization Coding Commando.

Aims and objectives of Seminar are to make MCA and BCA students future-ready and develop their insights into computer and IT fields while interacting with highly qualified and experienced professionals. On the top of that students will be offered internship with well-known software firm Coding Commando. Certificate too will be handed over to students upon their successful completion of internship.

It is mandatory for students to attend workshop in uniform, wearing College identity card, as prescribed by IMPACT management. Besides students are also instructed to comply with the rules and regulations made by IMPACT and uphold the dignity and greatness of College all the time on the campus. Participants may face disciplinary action in case their acts go in defiance of College's norms.

Ensure compliance with the directives.

(Dr. Nilesh Narayan Prasad)
Training and Placement Officer
